

Mission CISD ~ Texas

What Administrators & Teachers Are Saying...

*"The teachers really loved the training. They have been asking me when Lora is coming back for Day 3. **If she can motivate high school teachers, you know she's good!**"*

—Adelina Alaniz, District Math Coordinator
Mission CISD, Texas

*"**This is the best math training I've been to.**"*

—Melissa Schaefer, 7th Grade Math Teacher
Mission CISD, Texas

*"Excellent visual aids. I love this workshop. **The best workshop in 32 years!**"*

—Jose Martinez, High School Algebra Teacher
Mission CISD, Texas

*"**This is the best math training I have gone to in my entire teaching career! I loved it! I will recommend to other colleagues in my area.**"*

—Annette Martinez, 8th Grade Math Teacher
Mission CISD, Texas

*"**I've been teaching for 38 years, and I know I will use the GEMDAS[®] techniques.**"*

—Leo Olivarez, 8th Grade Math Teacher / Dept. Head
Mission CISD, Texas

*"Thanks for sharing your techniques for **motivating students.**"*

—Sergio R. Mier, 7th Grade Math Teacher
Mission CISD, Texas

*"Loved it all! **Best math workshop I've ever gone to.**"*

—Nellie S. Leo, 7th Grade Math Teacher
Mission CISD, Texas

“Excellent teacher—excellent techniques. I recommend these workshops to ALL Pre-Algebra and Algebra teachers!!”

—Carlos Muniz, High School Algebra Teacher
Mission CISD, Texas

“So many useful ideas at this workshop. The Divisibility Rules chart is going up right away.”

—Bob Weeces, 6th Grade Math Teacher
Mission CISD, Texas

“The workshop was wonderful!”

—Norma Beas, 8th Grade Math Teacher
Mission CISD, Texas

“Thanks! I really enjoyed everything from the presentation.”

—Janette Moreno, 8th Grade Math Teacher / Dept. Head
Mission CISD, Texas

“This has been the most valuable math training that I have been to in years. I will definitely use all this information and the posters.”

—JoAnne Perryman, High School Math Teacher
Mission CISD, Texas

“Had a good time! Great!”

—Homero Garza, 6th Grade Math Teacher
Mission CISD, Texas

“Great ideas for helping students and teachers.”

—Lori Olson, 8th Grade Math Teacher
Mission CISD, Texas

“One of the best workshops I’ve attended.”

—Hernan Cortez, Jr., 6th Grade Math Teacher
Mission CISD, Texas

“This style of teaching will go perfect in my E.S.L. classroom.”

—Sergio Saenz, 6th - 8th Grade ESL Teacher
Mission CISD, Texas

EDUCATIONAL SERVICES, LLC

*"I'm excited to try these **the next day in class!**"*

—Joe Ramey, High School Algebra Teacher
Mission CISD, Texas

*"**Wonderful techniques to get kids involved and engaged in Algebra learning.**"*

—Lori Olson, 8th Grade Math Teacher
Mission CISD, Texas

AFTER IMPLEMENTING THE TECHNIQUES

*"My students have really enjoyed the techniques... **They seem to participate more.**"*

—Maggie Rojas, High School Algebra Teacher
Mission CISD, Texas

*"...Several students are able to do the proper order of operations [now] and **grades immediately raised!**"*

—Joe Ramey, High School Algebra Teacher
Mission CISD, Texas

*"**Students found it easy** to use the routine (steps) to solve simple and complicated equations. I applied this technique to inequalities also and had success. I have the poster in front of the classroom. [The techniques] are **very effective.**"*

—Mike Masso, High School Algebra Teacher
Mission CISD, Texas

*"[At the beginning of the year] students were unable to add, subtract, multiply, and divide fractions. **They are now able to** which makes Algebra exercises easier for them to understand. This is a **very effective system.**"*

—High School Algebra Teacher (Anonymous)
Mission CISD, Texas

"The posters helped the students solve difficult problems."

—Alex Medrano, High School Algebra Teacher
Mission CISD, Texas

*"The students have had **better success with solving equations...** The posters helped!"*

—Rodolfo DeLeon, High School Algebra Teacher
Mission CISD, Texas
